A STORY BEYOND REALITY

Light-years away, on planet Inova, live the Inovitos—highly intelligent humanoid dedicated to helping visionary companies and industries grow.

Inovitos, attention please!
Today, one of us will travel to Earth
on a critical mission.

A company needs our
support and truly disruptive
ideas.

Done! Time to blend in...
They'll probably think I'm their mascot, ha! My spacesuit should help me stay low-profile.

This place is massivel
So many people...
Finding them won't be easy.

3 hours later...

Hey there!
I'm Francisco.
Need help?

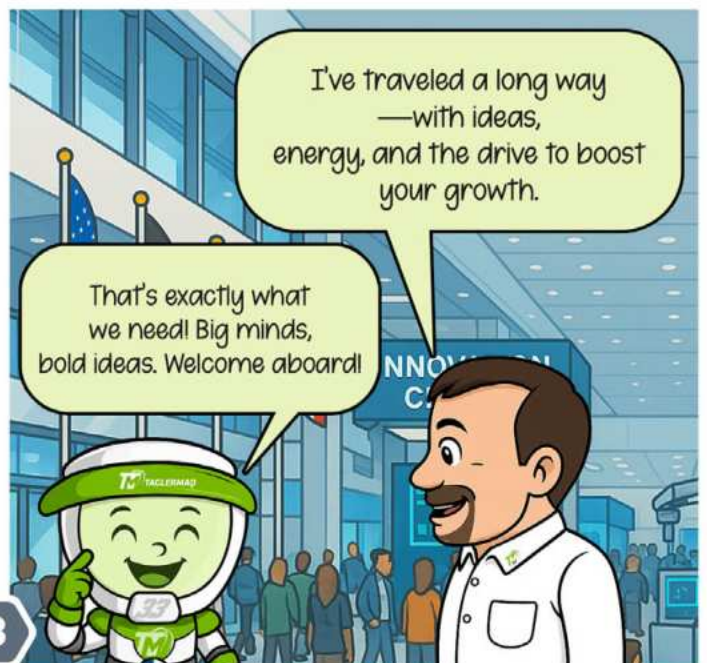

Hi Franciscot!
Thanks a lot...

I'm MAQ.
I'm looking for
the Taglermaq
team here at IFFA.

That's us!
We're a full team from Chile, here
to showcase innovation in meat and
alternative proteins. What brings
you here?

I've traveled a long way
—with ideas,
energy, and the drive to boost
your growth.

That's exactly what
we need! Big minds,
bold ideas. Welcome aboard!

Our new jackets units look great.
Love the upgrade...
So glad you're here, MAQ!

Thanks, Francisco.
Long live Taglermaq!

Days later... Somewhere in the galaxy...

INFECTUS... In a world where productivity depends on precision and trust, Infectus thrives as the hidden threat —offering false promises, fake metrics, and dangerous shortcuts.

Earth... prepare for chaos!
Ha, ha, ha!

Something's off. A rogue virus has hit the plant...
Only one mind could be behind this.

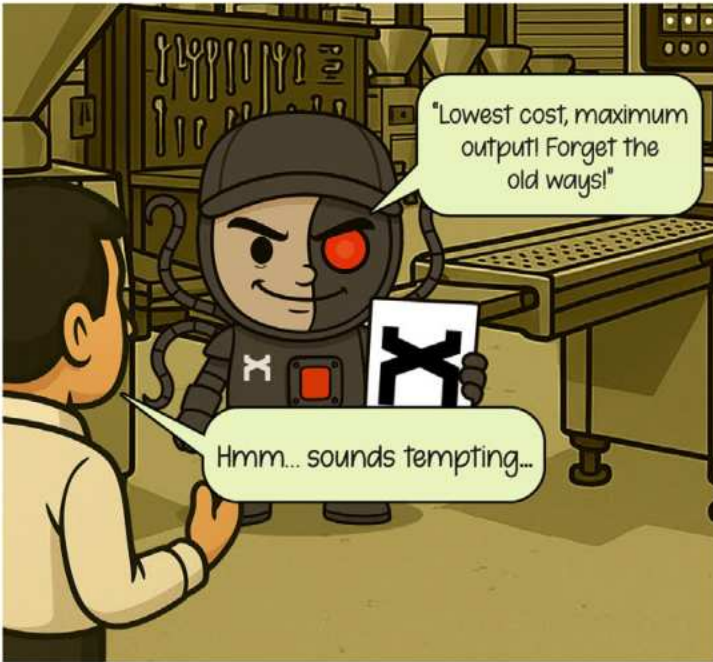

INFECTUSI! Sabotaging again with
low-grade tech. Not this time.

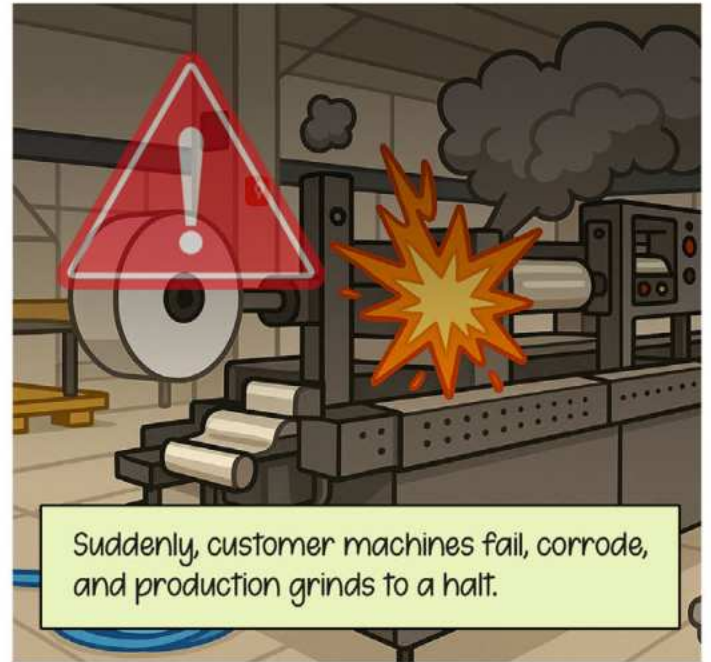

"Lowest cost, maximum
output! Forget the
old ways!"

Hmm... sounds tempting...

Suddenly, customer machines fail, corrode,
and production grinds to a halt.

MAQ, you're not alone!
Calling in SAT team—Boris
and crew are ready!

SAT team, let's contain this.
You don't mess with
Taglermaq!

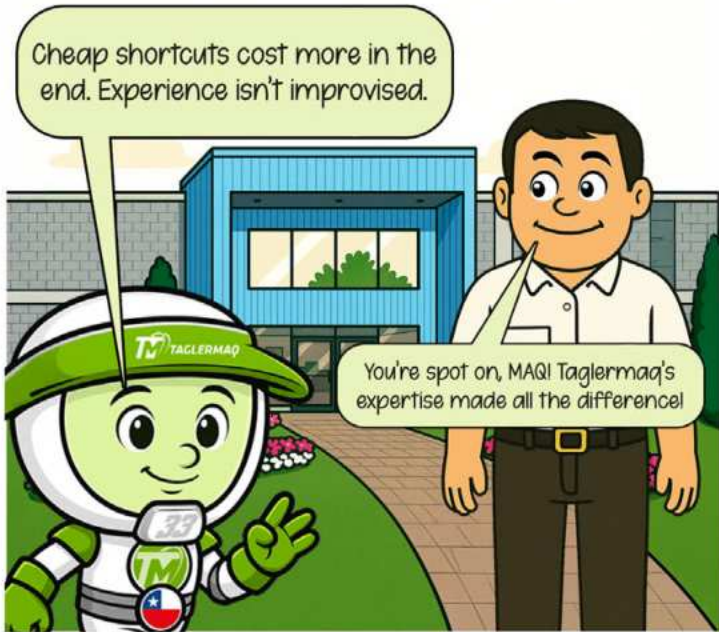

Reset the core!
I'll neutralize the virus!

System stabilization
in 3... 2... 1...

After a few hours, full operations restored.

And production?
Exceeding all previous
records!

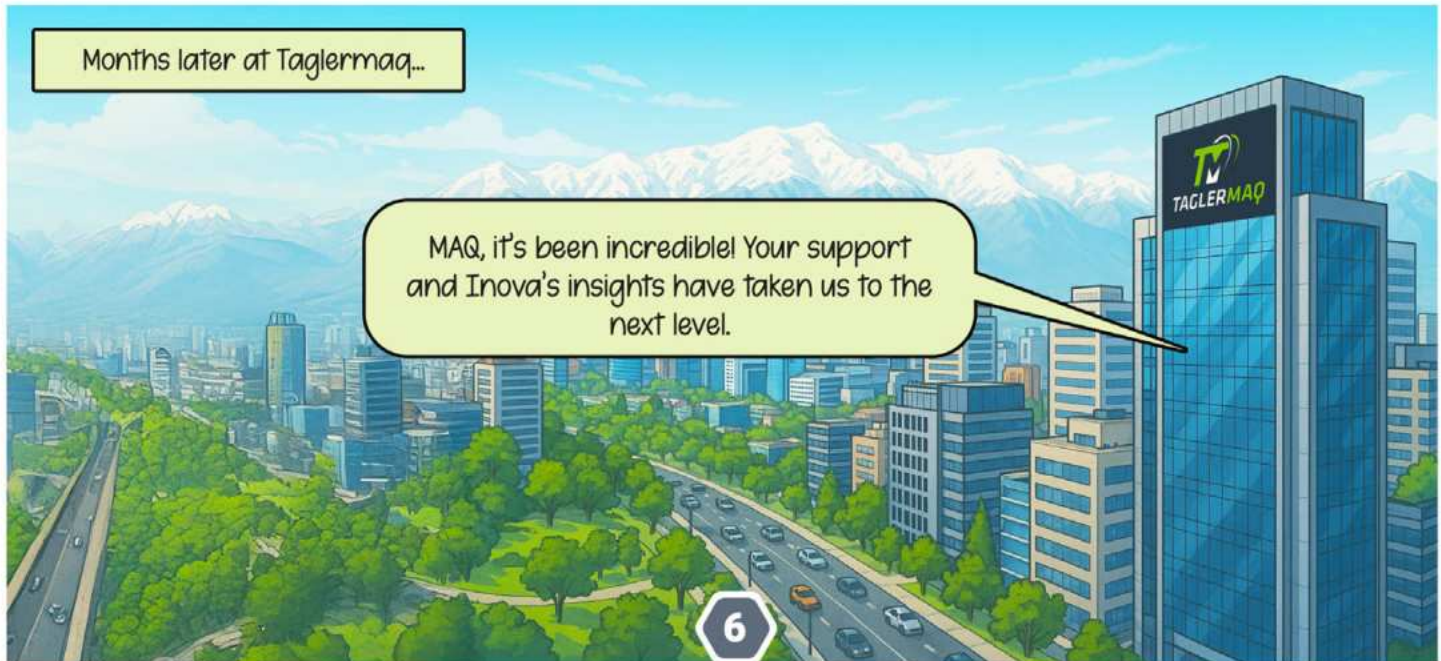

Cheap shortcuts cost more in the
end. Experience isn't improvised.

You're spot on, MAQ! Taglermaq's
expertise made all the difference!

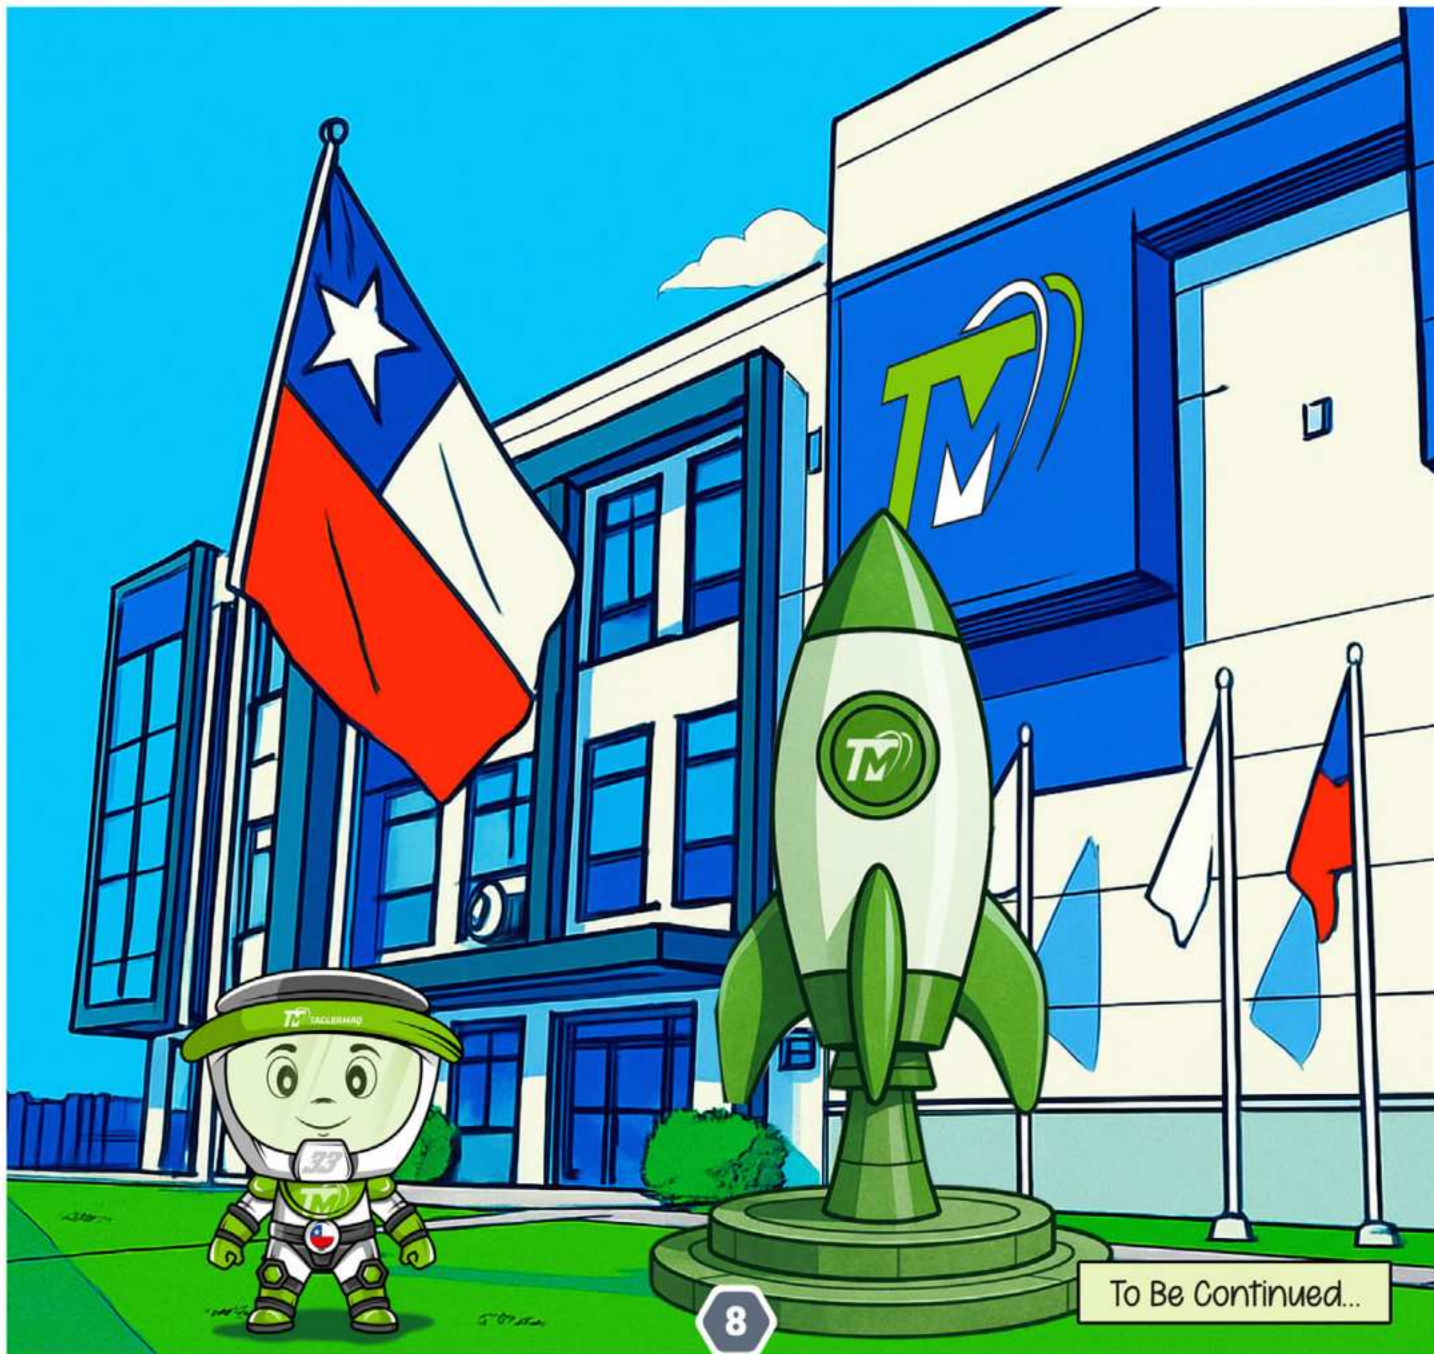

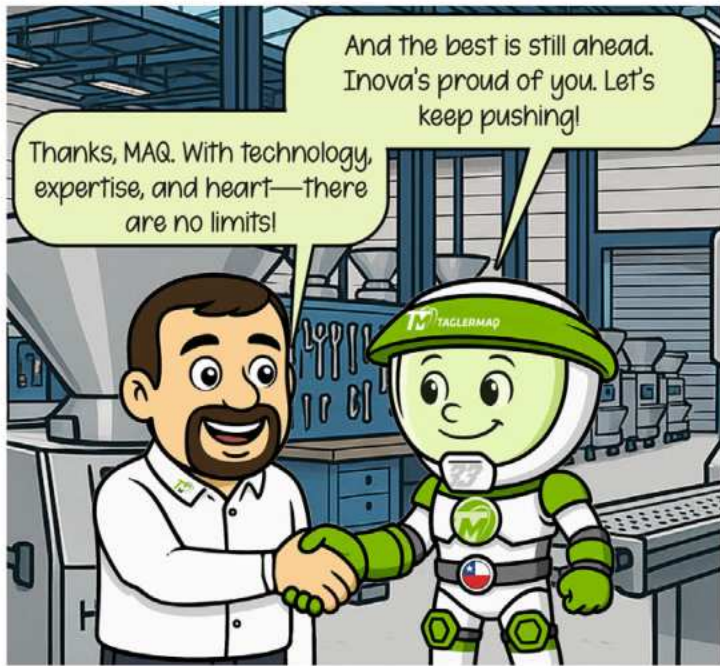

Taglermaq is the true partner.
With us, you're never alone.

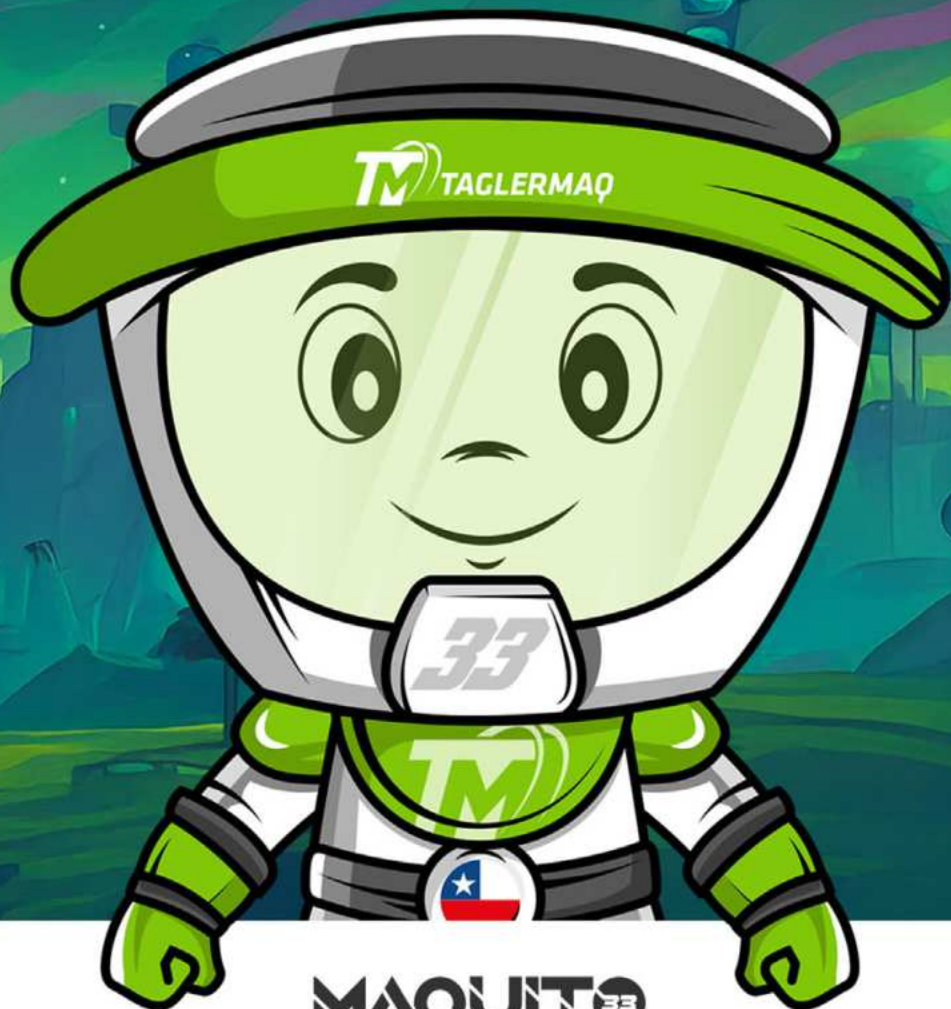

Months later at Taglermaq...

MAQ, it's been incredible! Your support
and Inova's insights have taken us to the
next level.
